January's Theme Scripture

¹² Not that I have already obtained this or am already perfect, but I press on to make it my own, because Christ Jesus has made me his own. ¹³ Brothers, I do not consider that I have made it my own. But one thing I do: forgetting what lies behind and straining forward to what lies ahead...

Philippians 3:12-13

“He reached down from on high and took hold of me;
he drew me out of deep waters...
He brought me out into a spacious place;
he rescued me because he delighted in me.”

Dear friends in Christ,

Thank you for supporting Christian education in our community.

We know you share our mission to raise children with Christ-centered lives so they can help spread God's love and become a positive influence in our communities and active participants in your church. At Dallas Christian school we are doing everything we can to make this mission a lifelong success for all our students. In an effort to do so, we would like to invite you and your congregation to join us for one of our most exciting fundraising events to date. It's the 2020 Dallas Christian Casting for Christ Dinner & Auction.

Our team has an incredible evening planned Saturday, February 8th at 6pm at Eddie Deen's Ranch in Dallas. Throughout the fun-filled evening we will be celebrating God's power, grace, and goodness. We'll have delicious food, great entertainment, and amazing auction items. The highlight of the event will be our guest speaker, Clay Dyer. Born without any arms or legs, Clay has overcome unimaginable obstacles to become a professional fisherman and a world-famous faith-based motivational speaker. We know this will be a heart-changing story for everyone.

We are asking for your prayers that this event will be a success and that it will inspire lives in amazing ways. We appreciate any way you can help us promote the event through your congregation and connections.

Thank you for your support and the wonderful impact you are making in our community.

Clay's motto for life is, **"IF I CAN, YOU CAN."**

Clay Dyer was born on May 23, 1978, without any lower limbs, no arm on the left side and a partial arm on the right. However, these limitations did not dampen his determination and positive spirit.

Clay began fishing at age 5. A natural competitiveness became evident early. Clay never allowed his physical disabilities to be an obstacle and began competing in fishing tournaments at age 15. He fished with FLW from 2000 to 2010 and began his career with BASS in 2012.

Clay spends the majority of his time sharing his life experiences through motivational and leadership presentations to various companies, charities and churches. Clay currently fishes the Bassmaster Open Series and select charity events, and is passionate about helping special needs kids.
