Thank You

To All Concerned at Saturn Road,

As you know, I had a bad fall in April and have been trying to recover. It's sort of one step forward and two back; with 2 hospital visits. My heart is having some problems now. I'm hoping the doctors have it straight soon, as there have been various problems. I'm so thankful for your prayers, calls, and wishes. I'm sorry I've not been able to attend-but know that particular problem is on everyone's mind as they can't come either. Please accept this with my love and prayers for the church there.

Love and blessings,

Doris Cusic

Thanks so very much for every individual who contacted me in any way regarding my recent surgery!!

This was my very first major surgery, but I felt no fear or anxiety because I knew I was wrapped in God's arms and surrounded by your prayers and requests!

Our God is so awesome!!

Hello Saturn Road Family,

On behalf of the Zepeda Family, I would like to express our gratitude for all the prayers, cards and messages of encouragement by text since our son Joseph's diagnosis of Acute Lymphoblastic Leukemia. We truly appreciate the love and support we received from our Saturn Road Family. The journey has been rough with many setbacks but we know with certainty the Lord will guide Joseph on his road to remission. Please keep Joseph and my family in your prayers.

With Fraternal Love,

Zepeda Family
