

Just think how much more the blood of Christ will purify our consciences from sinful deeds so that we can

worship the living God. For by the power of the eternal Spirit, Christ offered himself to God as a perfect sacrifice for our sins. That is why he is the one who made it a new covenant between God and people, so that all who are called can receive the eternal inheritance God has promised them. For Christ died to set them free from the penalty of the sins they had committed under that first covenant.

# THEME SCRIPTURE

Love is patient and kind. Love is not jealous or boastful or proud 5 or rude. It does not demand its own way. It is not irritable, and it keeps no record of being wronged. 6 It does not rejoice about injustice but rejoices whenever the truth wins out. 7 Love never gives up, never loses faith, is always hopeful, and endures through every circumstance.
