# THANK YOU

God has been so good to me and my family. He has used so many of you to minister to us while I have been struggling with cancer. I still face another surgery scheduled in September. I am still waiting for my energy level and some other issues to resolve, but I am looking to our Heavenly Father and Savior, Jesus Christ. It's hard sometimes to have the faith I need, but then God uses one of His children to encourage me.

We are so grateful for the many cards, the well wishes, meals, encouraging words and especially the prayers that so many of you have lifted up on our behalf. His word tells us that the prayers of a righteous man (and woman I would assure) is worth much. Thank you for being Gods people and doing that for us. I feel like the song says "Like the Hills of Jerusalem God surrounds His people." You are the "Hills" that have surrounded us.

Words can't really convey the appreciation we have for our brothers and sisters at Saturn Road. We are thankful to be a part of our community of faith. We have been blessed to meet and love so many family members new to us during this time.

I pray Gods blessings on you all and that we can be an encouragement to you and yours during a difficult time.

We love you all with the love of the Lord. You are precious to us!!!

Glory to God,

The Gene and Rhodonna Reeves Family

Saturn Road Church Family,

Thank you so much for thinking of us during this very difficult time. We are so grateful for all the prayers, sympathy cards, calls, and food. Your thoughtfulness and kindness brought peace and comfort to our family.

With a grateful heart,  
Joyce Owen and family
