THANK YOU

Dear Saturn Road Family,

Thank you for all the calls, texts, cards, visits, and most of all the prayers that wrapped my mom, me, and my family in love. Mom told me she felt that love a few days before she passed. I also want to thank all the precious ladies that blessed my family with the lunch meal following mom's service.

The deeply felt love of my church family carried me through this difficult time. Our God is faithful to surround us with what we need at just the right time.

With much love and thanks,
Linda Mullings
