## MEMBERS AND FRIENDS

- Jason Nagel, brother of Cindy Savage, is being released from rehab on June 6 following a stroke in August 2024. Doctors expect he will gradually return to his normal life, but he still has some work to do before he can drive and return to his full-time job. Thank you to our church family for keeping him in your prayers. If anyone would like to send a card his address is below.

- Kimberly Curry's biopsy came back clear, but she does have an infection in her gums. She would appreciate prayers of thanksgiving and continued prayers for recovery.
