nothing you do for the

SERMON SUMMARY

Ecclesiastes 3: Exiled! In and Out of Seasons

This sermon on Ecclesiastes 3 explores the reality of exile—our separation from God due to idolatry—and how life unfolds through ever-changing seasons. Rather than chasing stability or blessings as entitlements, we are called to embrace the deeper gift: God's sanctifying presence in every season. Seasons remind us we're not in control, yet they reveal God's grace and faithfulness carrying us through. We are invited to reject entitlement and despair, and instead walk the godly third way—holding circumstances lightly while clinging wholeheartedly to the unchanging character of God.
