

June: "A Month of Great Joy"

When I was first introduced to the Gospel by Brother Patinya, he told me that there are two momentous choices a person must make for themselves: choosing a spouse and choosing a faith. June 2026 was a month where both of these beautiful events unfolded before our eyes. Even though they happened in the lives of others, Nong and I shared deeply in their joy. It truly reminded me of the Scripture: "Rejoice in the Lord always. I will say it again: Rejoice!" (Philippians 4:4).

Welcoming a New Brother in Christ

We are thrilled to introduce a brand-new brother in Christ! His name is Brother Mos, who was on our prayer list just a couple of months ago. After six weeks of studying the Gospel, he decided to be baptized. Despite working late night shifts that don't end until 3:00 AM, he faithfully attends church every Sunday.

Mos was originally invited to worship by his former girlfriend (an RCC member). Although they have since broken up and she no longer attends, Mos continues to come to church faithfully. Since becoming a Christian, he has already started inviting his own friends to join him in worship. What a wonderful blessing he is!

A Beautiful Union

First, our former BSLI student, Sister Fon, tied the knot with Brother Lucas, a missionary from SIBI (Sunset International Bible Institute). They originally wished to hold their wedding in Laos, but obtaining the necessary official permits and navigating the paperwork proved to be too complicated and time-consuming. Consequently, they decided to host the ceremony at Watcharapon CoC.

With the talents God provided us, the TL4S team stepped in to make it happen:

- **The BSLI current students and Brother Ben** helped prepare the venue.
- **Sister Nong (my wife) and Sister Patt (Brother Ben's wife)** arranged the refreshments for the reception.
- **Sister Nui (Brother Tuli's wife)** took care of the beautiful flower arrangements and reception catering.
- **Our BSLI students (both past and present)** formed a beautiful wedding choir.
- **Sister Prae** served as the wedding organizer.
- I had the honor of being the Master of Ceremonies (MC), and **Brother Patinya** officially performed the wedding ceremony.

It was a wonderful evening. Some students from RCC also attended, and for many, it was their very first Christian wedding. They were deeply impressed by the ceremony. Through this beautiful event, our God was highly praised. 1

A Milestone for Brother Aef

Brother Aef graduated from BSLI this June and has returned to his hometown to start working and assisting the local church in Rayong. From the very first day his mother brought him to BSLI to his final day with us, I have witnessed his life be completely transformed by the Word of God. All of our instructors are incredibly proud of him. We pray that he will be powerfully used for God's Kingdom.

Summer Fellowships and Outreach

June was also packed with activities as we welcomed five interns from Harding University, along with a missionary family who just moved to serve alongside Brother Tuli at UDCC (Udon Christian Center). God granted us wonderful opportunities to evangelize to our neighbors through English ministries and community activities. These included an Open House (Game Night Party) and a midweek fellowship featuring delicious Greek food prepared by Erastos's family, as well as American dishes made by the Harding interns. We continue to pray and believe that God is drawing people to His family, and we are blessed to act as a bridge connecting people to Him through His only Son, Jesus Christ.

My wife and I remain deeply grateful for the opportunity to serve and be a part of His global ministry.

**In His Service,
Yai and Nong**
