Week 2 (Gospel and A.I series)
Sermon: Does Anybody Know Where Truth Lives?
1 John 2:18–27

In a world filled with deception and competing voices, John reminds believers to remain grounded in the truth of the gospel they first received. Just as false teachers challenged the early church, today's culture confronts us with new forms of misinformation through technology, deepfakes, and echo chambers. Rather than responding with fear or skepticism, Christians are called to depend on the Holy Spirit and faithfully evaluate every message against the unchanging truth of Jesus Christ.

This passage highlights two key ideas: the ground of truth and the guide of truth. First, truth is the apostolic teaching that has been faithfully passed down to believers. Second, truth is continually affirmed and reinforced through the Holy Spirit's work in the life of the believer. To "have the truth" means being firmly rooted in sound biblical teaching while remaining in an ongoing relationship with the Spirit of truth, who continues to illuminate God's Word and lead believers into faithful understanding and obedience.

THANK YOU

To our wonderful church family at Saturn Road -

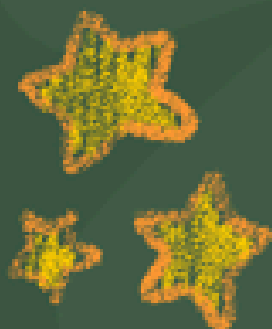

Thank you so much for the cards sent and the prayers offered for us and for mom during the last months of her life. She loved this church SO much.

Thank you also for all who attended mom's Celebration of Life, who provided food (it was wonderful!) and cleaned up afterward. Your service was such a blessing to our family.

May God bless you all and hold you close.

Love in Christ,

The Family of Gloria Little (Suzan Mills, Mark Little, David and Leanne Stump, Rick and Kathi Norris, Jeff and Julie Little)
